1. Plan June annual meeting – first night of skills and drills that doubles as a Q&A night as well – going to figure out another time, possibly the beginning of Sept. **
 2. Discuss parent volunteer positions for home games next year: make certain positions consistent such as scoreboard, videoing, announcing and spotting so we are sure those parents know what they are doing. Draft standard parent email to send with that information at the beginning of the season. **Tabled until closer to the season; to remain on the agenda until info is drafted.
 3. Summer camp/intro to football – plan final details:
 - How many extra hands do we need for 79 participants? Scott Flanagan, Jon Luchette & current 8th graders and/or high schoolers are available.
 - Sell apparel the first couple of nights – will pick 1 night per week to put up what we have left for sale & move back into the concession stand from the storage unit.

- Give coaches their bags at skills camp
 - Bring monitors, video cameras, other equipment back to concession stand – Robyn picked up from Kerry and everything is back in the concession stand/tower.
4. Coach Earner/early equipment sign out update – tbd **
 5. July 7v7 tournament update – pending update from Coach Earner. **
 6. Purchase AED – still looking at options; Jess reached out to her sister/nurse. **
 7. Send registration flyer to VES, CRES & YMS again if not still going out in weekly updates.
 8. Plan apparel items for concessions; Robyn emailed graphic designer for logo refresh, will place order when new logo agreed upon. **
 9. Reach out to athletic trainers for game coverage once SMYFL schedule is out – Sarah Monks is interest, will continue to reach out. **
 10. Follow up with Ed about practice jersey order **
 11. Follow up with coaches regarding coaches meeting items & equipment request list. **
 12. Bryan Cahoon/scoreboard update – Robyn meeting Thurs morning, 9am

3. Once confirmed, practice times need to be entered into TeamSnap. **
4. Andy Kaherl/Parks & Rec will be holding a fall flag football program for younger players – confirmed our field usage with him so as not to interfere.
5. Ryan Avery isn't interested in doing our pictures – Jess reached out to Heather Henrickson. Jackie Williamson Photography reached out saying she would do a \$35 pre-payment package that included 3 poses per player plus a team photo. Will see if we get any other interest before making a decision.

** Tabled until next meeting
